

Daffara & Grasso

Chardonnay varietale D.O.C.

Vine: 100% Chardonnay.

Colour: light straw yellow.

Smell: marked hints of fresh fruit.

Taste: smooth and full-bodied.

Alcohol content: 12,5% vol.

Packaging: 6 bottles cardboard.

Vine of French origin that adapts very well to our relatively humid, poorly fertilized calcareous soils.

In these conditions it produces grapes from which this full-bodied wine is obtained, rich in flavor and aromas which retains its original fruit for a long time.

It should be served cool at a temperature of 8°-10° C.
